#### INDEPENDENT AUDITORS' REPORT

To the Board of Directors Humane Society of South Coastal Georgia, Inc. Brunswick, Georgia

#### **Opinion**

We have audited the accompanying financial statements of the Humane Society of South Coastal Georgia, Inc. (the "Society"), which comprise the statements of financial position as of December 31, 2021 and 2020, and the related statements of activities and changes in net assets, functional expenses, and cash flows for the years then ended, and the related notes to the financial statements.

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of the Society as of December 31, 2021 and 2020, and the changes in its net assets and its cash flows for the years then ended in accordance with accounting principles generally accepted in the United States of America.

#### **Basis for Opinion**

We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Society and to meet our other ethical responsibilities in accordance with relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

#### Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Society's ability to continue as a going concern within one year after the date that the financial statements are available to be issued.

#### **Auditors' Responsibilities for the Audit of the Financial Statements**

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance, and therefore, is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements, including omissions, are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgement made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Society's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Society's ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control related matters that we have identified during the audit.

#### Notes to Financial Statements

December 31, 2021 and 2020

#### NOTE 1 – ORGANIZATION AND SIGNIFICANT ACCOUNTING POLICIES

Nature of Operations – The Humane Society of South Coastal Georgia, Inc. (the "Society") is a not-for-profit independent animal shelter located in Brunswick, Georgia, providing a haven for stray, abandoned and injured animals. The Society's services include animal adoptions, animal cruelty prevention and a spay and neutering program. The Society is governed by a Board of Directors consisting of fourteen to twenty members and derives its operating funds primarily through donor contributions. The Society was incorporated in the State of Georgia on December 29, 1967.

In 2018, the Society opened a retail thrift store, The Big Flea Quality Resale Store ("The Big Flea"). Sales from The Big Flea are used for fundraising purposes to support the mission and operations of the Society.

Basis of Presentation – The Society follows the provisions of generally accepted accounting principles in the United States of America ("GAAP") for not-for-profit organizations which require the reporting of total assets, liabilities, and net assets in a statement of financial position; reporting the change in net assets in a statement of activities; and reporting the sources and uses of cash and cash equivalents in a statement of cash flows. To ensure observance of limitations and restrictions placed on the use of resources available to the Society, the resources are classified for accounting and reporting purposes into categories established according to their nature and purpose. Net assets and revenues, gains, expenses, and losses are classified as "net assets without donor restrictions" or "net assets with donor restrictions" as follows:

*Net Assets without donor restrictions* – Net assets that are not subject to donor-imposed restrictions and may be expended for any purpose in performing the primary objectives of the Society.

*Net Assets with donor restrictions* – Net assets subject to donor-imposed stipulations that can be fulfilled by actions of the Society pursuant to those stipulations or that expire by the passage of time; or are perpetual in nature, whereby the donor has stipulated the funds be maintained in perpetuity.

Accounting Standards - In September 2020, the Financial Accounting Standards Board issued Accounting Standards Update No. 2020-07, Presentation and Disclosures by Not-for-Profit Entities for Contributed Nonfinancial Assets (Topic 958) ("ASU 2020-07"). The standard increases transparency of contributed nonfinancial assets through separate line-item presentation in the statement of activities. The Foundation adopted ASU 2020-07 in the year ended December 31, 2021 and applied it retrospectively to the statements of activities for years ended December 31, 2021 and 2020. The adoption of this standard did not impact the Society's change in net assets.

**Revenue Recognition** – The Society prepares its financial statements in accordance with the accrual method of accounting. Support, revenues, and expenses are recognized and reported in

#### Notes to Financial Statements

December 31, 2021 and 2020

the accounting period when they are earned and incurred rather than when cash is received or paid.

Revenue related to adoptions, veterinary services, the sale of kennel products, and thrift store sales are recognized at the point of sale or when the services are performed. These transactions generally include a single performance obligation that is satisfied at a point in time and payment is due at the time of the service or sale. Obligations for returns, refunds, and warranties have not historically been significant.

Contributions received and promises to give are recognized when the donor makes a promise to give to the Society that is, in substance, unconditional. Contributions that are restricted by the donor are reported as increases in net assets without donor restrictions if the restrictions expire in the fiscal year in which the contributions are recognized. All other donor-restricted contributions are recorded as increases in net assets with donor restrictions or increases in net assets without donor restrictions depending on the existence or nature of any donor restrictions. When a restriction expires, net assets with donor restrictions are reclassified to net assets without donor restrictions.

Contributions that are expected to be received in future years are recorded at the present value of their estimated future cash flows. Amortization of the discounts is included in contributed financial assets in the accompanying statements of activities. Promises to give are reviewed for collectability and reserves are established for estimated uncollectable amounts based on prior years' experience and management's analysis of specific promises made. Management believes that all promises to give are collectible, and therefore, no allowances have been established. Discounts on unconditional promises to give were insignificant at December 31, 2021 and 2020. Revenue disaggregated by the timing of satisfaction of performance obligations is as follows for the years ended December 31:

	 2021	 2020
Performance obligations satisfied at a point in time	\$ 273,233	\$ 216,075
Support not in the scope of ASC 606	 1,295,793	 2,563,940
Total revenues, gains, and other support	\$ 1,569,026	\$ 2,780,015

**Donated Goods and Services** – Contributions of services are recognized when received if such services (a) enhance nonfinancial assets or (b) require specialized skill, are provided by individuals possessing those skills, and would typically need to be purchased if not donated. During the years ended December 31 2021 and 2020, the value of contributed services meeting the requirement for recognition in the financial statements was not material and has not been recorded.

#### Notes to Financial Statements

December 31, 2021 and 2020

During the years ended December 31 2021 and 2020, the Society received the following contributed nonfinancial assets, which are reflected in the accompanying statements of activities:

	 2021	 2020
Fur Ball auction items	\$ 37,092	\$ -
Big Flea merchandise donations	 130,771	 85,574
Total contributed nonfinancial assets	\$ 167,863	\$ 85,574

Contributions of non-cash assets are recognized at the estimated fair value at the date of donation. The Society reports donated assets as support without donor restrictions unless explicit donor stipulations specify how the donated items must be used. The estimated fair value of donated auction and merchandise items is calculated based on auction sales and annual Big Flea merchandise sales, respectively.

Cash and Cash Equivalents – The Society considers all highly liquid investments that are readily convertible into cash with maturity of three months or less when purchased to be cash and cash equivalents.

On occasion, the Society maintains cash balances on deposit with financial institutions in excess of federally insured limits. Management continually monitors the soundness of these financial institutions and believes the exposure of loss to be minimal.

*Investments* – Investments in mutual funds, exchange traded funds, and common stocks are carried at fair value based on quoted market prices.

Investment securities are exposed to various risks, such as interest rate risk, market risk, credit risk, and liquidity risk. Due to the level of risk associated with certain investment securities and the level of uncertainty related to changes in the value of investment securities, it is at least reasonably possible that changes in risks in the near term would materially affect the amounts reported in the accompanying financial statements.

Investment transactions are recorded on a trade-date basis. Realized gains and losses on sales of investments are determined on the specific identification basis. Investment income and gains and losses on investments are recorded as increases or decreases in net assets without donor restrictions unless their use is restricted by explicit donor stipulations or by law.

The Society maintains a custody account with a major custodian institution. Although the Society monitors and believes that it is a proper custodian, there is no guarantee that the custodian, or any other custodian the Society may use, will not become insolvent.

*Inventory* – Inventory consists of merchandise in the Society's retail store and is stated at the lower of cost or market on a first in, first out basis (FIFO). The Society also receives contributions of goods and materials and processes these contributions as merchandise available

#### Notes to Financial Statements

December 31, 2021 and 2020

for sale in its retail thrift store. The inventory at year end is calculated by taking 1/12th of the estimated fair value of the goods donated for sale during the year.

Perpetual Trust Held by Others – The Society is the sole beneficiary of the Humane Society of South Coastal Georgia Consolidated Trust (the "Consolidated Trust"), a perpetual irrevocable trust held and administered by independent trustees. Under the terms of the Consolidated Trust, the Society has the right to petition the Consolidated Trust for distributions, but the aggregate amount of annual distributions generally cannot exceed 5% of the net fair market value of the assets of the Consolidated Trust as of the first day of each applicable year. The fair value of the beneficial interest in the Consolidated Trust was recognized as an asset and as a restricted contribution at the date the Consolidated Trust was established. The Society's estimate of fair value is based on fair value information received from the trustee. The Consolidated Trust assets are not subject to the control or direction by the Society. Gains and losses, which are not distributed by the Consolidated Trust are reflected as a change in value of perpetual trust held by others in the statements of activities.

**Property and Equipment** – Property and equipment are stated at cost. Depreciation is calculated using the straight-line method over the estimated useful lives of the individual assets. Donated property and equipment are recorded at the estimated fair market value on the date received. Maintenance and repairs are charged to expense as incurred. Major repairs and improvements are capitalized and depreciated at the applicable straight-line rates. The cost and accumulated depreciation of property retired, sold or disposed of are removed from the related accounts with any gain or loss credited or charged to income. Estimated useful lives of assets are as follows:

	Estimated
Type of Property	Useful Life
Fencing and paving	10-20 years
Building improvements	5-40 years
Equipment	5-25 years

Functional Allocation of Expenses – The costs of providing the various programs and other activities have been summarized on a functional basis in the statements of activities. Accordingly, certain costs have been allocated among the programs and supporting services benefited. Such allocations are determined by management and are primarily based on direct allocation, headcount, and time devoted to each category. Fundraising activities involve encouraging potential donors to contribute money, securities, services, materials, facilities, other assets, or time. They include publicizing and conducting fundraising campaigns, maintaining donor mailing lists, conducting special fundraising events, operating costs of The Big Flea, and conducting other activities involved with soliciting contributions from individuals, foundations, and others.

#### Notes to Financial Statements

December 31, 2021 and 2020

Income Taxes – The Society is a tax-exempt entity under Section 501(c)(3) of the Internal Revenue Code, and as such, generally is not subject to income taxes except for income for unrelated business activity.

The Society files informational returns in the U.S. federal jurisdiction and one state jurisdiction. Interest and penalties are expensed as incurred. There were no interest and penalties charged to expense for the years ended December 31, 2021 and 2020.

GAAP provides guidance for how uncertain tax positions should be recognized, measured, presented, and disclosed in the Society's financial statements. Management has evaluated the implications of these standards and has not identified any uncertain tax positions for the Society; therefore, no tax expense or accruals for uncertain tax positions are included in the accompanying financial statements.

Estimates — The preparation of financial statements in conformity with GAAP requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements, and the reported amounts of support, revenues and expenses during the reported period. Actual results could differ from those estimates.

**Reclassifications** – Certain prior year amounts have been reclassified to conform to current year presentation. These reclassifications had no effect on the financial position, change in net assets, or cash flows for either period presented.

#### **NOTE 2 – PROMISES TO GIVE**

Promises to give at December 31, 2021 and 2020 consisted of a pledge for \$120,000, which is expected to be paid in April 2023.

#### NOTE 3 – NET ASSETS WITH DONOR RESTRICTIONS

Net assets with donor restrictions consisted of the following as of December 31:

	 2021	 2020
Perpetual trust held by others	\$ 3,490,186	\$ 3,187,269
Time-restricted promises to give	120,000	120,000
Capital campaign liability, net of pledges	 (75,000)	 (75,000)
	\$ 3,535,186	\$ 3,232,269

#### Notes to Financial Statements

December 31, 2021 and 2020

#### NOTE 4 – PERPETUAL TRUST HELD BY OTHERS

Summary of the assets of the Consolidated Trust at December 31 as provided to the Society by the trustee:

	2021		2020		
	Market	Cost	Market	Cost	
Equities	\$ 2,539,198	\$ 1,326,266	\$ 2,194,907	\$ 1,350,601

	\$ \$	\$ 658,294 97,886 244,172	\$ 658,294 \$ 97,886 244,172 323,462	\$ 658,294 \$ 97,886 244,172 323,462	

#### NOTE 6 - FAIR VALUE MEASUREMENTS

In accordance with the authoritative guidance on fair value measurements and disclosures under GAAP, the Society discloses and recognizes the fair value of its assets and liabilities using a hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurements) and the lowest priority to unobservable inputs (Level 3 measurements). The guidance establishes three levels of fair value as follows:

Level 1 — Valuation is based on unadjusted quoted prices in active markets that are accessible at the measurement date for identical investments.

Level 2 — Valuation is based on inputs other than quoted prices that are observable for the asset either directly or indirectly, including inputs in markets that are not considered to be active.

#### Notes to Financial Statements

December 31, 2021 and 2020

Level 3 — Valuation is based on unobservable inputs as they trade infrequently or not at all.

When available, the Society uses unadjusted quoted market prices to determine the fair value of investment securities and they are included in Level 1. When quoted market prices are unobservable, the Society uses other observable inputs, including market interest rate curves, and credit spreads, where applicable. These investments are included in Level 2 and primarily consist of corporate bonds. The Society's Level 3 assets subject to fair value measurement on a recurring basis consist of beneficial interest in the Consolidated Trust. The Society relies on fair value information provided by the trustees to measure and report the fair value of its beneficial interest in the Consolidated Trust. The inputs or methodology used for valuing the Society's beneficial interest in the Consolidated Trust are not necessarily an indication of the risk associated with the underlying investments held by the Consolidated Trust.

Assets as of December 31, 2021 measured at fair value are summarized below:

	Level 1	Level 2	Level 3	Total
Perpetual trust held by others	\$ -	\$ -	\$ 3,490,186	\$ 3,490,186
Investments, at fair value	1,000,352	323,462		1,323,814
Total	\$ 1,000,352	\$ 323,462	\$ 3,490,186	\$ 4,814,000

Assets as of December 31, 2020 measured at fair value are summarized below:

	Lev	el 1	Level 2		Level 2		Level 2		Level 2		Level 2 Level 3	
Perpetual trust held by others	\$		\$		\$ 3,187,269	\$ 3,187,269						
Total	\$	-	\$	_	\$ 3,187,269	\$ 3,187,269						

Changes in assets measured at fair value using Level 3 inputs are as follows:

Balance at December 31, 2019	\$ 2,993,075
Distributions received from the Consolidated Trust	(149,655)
Total gains and losses, net of fees	 343,849
Balance at December 31, 2020	3,187,269
Distributions received from the Consolidated Trust	(159,364)
Total gains and losses, net of fees	 462,281
Balance at December 31, 2021	\$ 3,490,186

Investment fees for the years ending December 31, 2021 and 2020 were \$39,296 and \$34,948, respectively.

#### Notes to Financial Statements

December 31, 2021 and 2020

#### NOTE 7 - PROPERTY AND EQUIPMENT

Property and equipment consisted of the following at December 31:

	2021	2020
Land	\$ 152,822	\$ 152,822
Fencing & paving	17,143	17,143
Building improvements	1,834,652	1,822,322
Equipment	103,129	104,749
Vehicles	33,000	33,000
Construction in progress	49,939	
Total	2,190,685	2,130,036
Less: accumulated depreciation	(673,595)	(609,371)
Property & Equipment, net	\$ 1,517,090	\$ 1,520,665

Depreciation expense as of December 31, 2021 and 2020 totaled \$65,844 and \$64,542, respectively.

### NOTE 8 – ADVANCE FROM PERPETUAL TRUST

During 2011, the Consolidated Trust made special distributions to the Society in the aggregate amount of \$450,000. The special distributions were made to provide advance funding for construction of a new animal shelter. Under a capital campaign to raise funds for the animal shelter construction, the Society had received or anticipated receiving pledges from donors earmarked for the animal shelter construction. Under the original terms of the special distribution, the Society is required to repay from capital campaign pledge collections the amount of the advance funding received from the Consolidated Trust. For the years ended December 31, 2021 and 2020, the total capital campaign pledge receivable balance is not sufficient to cover the balance of the loan. As of December 31, 2021 and 2020, the loan balance was \$75,000. At December 31, 2021 and 2020, there was no outstanding pledge balance earmarked for animal shelter construction. The remaining balance of the note is expected to be paid out of the Society's operating account. There is no stated interest rate and the balance is due on demand.

#### Notes to Financial Statements

December 31, 2021 and 2020

# NOTE 9 – LIQUIDITY AND AVAILABILITY OF FINANCIAL NET ASSETS

The Society has a policy to manage its liquidity and reserves following three guiding principles: operating within a prudent range of financial stability; maintaining adequate liquidity to fund near-term operations; and maintaining sufficient reserves to provide reasonable assurance that long-term obligations will be discharged. Financial assets available for general expenditure, that is, without donor or other restrictions limiting use, comprise the following:

	 2021	 2020
Financial assets at year-end:		
Cash and cash equivalents	\$ 902,297	\$ 2,046,293
Investment account	1,323,814	-
Perpetual trust held by others	3,490,186	3,187,269
Promises to give	 120,000	 120,000.00
Total financial assets at year-end	5,836,297	5,353,562
Less amounts not available to be used within one year:		
Perpetual trust held by others	3,490,186	3,187,269
Time-restricted promises to give	 120,000	 120,000
Total amounts not available to be used within one year	3,610,186	3,307,269
Financial assets available to meet general expenditures		
over the next twelve months	\$ 2,226,111	\$ 2,046,293

#### *NOTE 10 – RISKS AND UNCERTAINTIES*

The coronavirus outbreak has disrupted the U.S. and global economies, which could potentially cause significant overall market declines that could affect the Society's results of operations and financial position. The length and severity of the coronavirus outbreak and its impact on the U.S. and global economies is unknown. The extent to which these events will impact the Society's results of operations and financial position remains uncertain. The financial statements do not include any adjustments that might result from the outcome of this uncertainty.

#### NOTE 11 – PPP PROCEEDS

In April 2020 and January 2021, the Society issued notes payable totaling \$87,407 and \$87,406, respectively, to a lender pursuant to the Coronavirus Aid, Relief, and Economic Security ("CARES") Act's Paycheck Protection Program ("PPP"). The loans were unsecured and interest on the outstanding balance accrued at 1.00% per annum.

#### Notes to Financial Statements

December 31, 2021 and 2020

In January 2021, the Society had received forgiveness of the PPP note issued in April 2020. Management elected to include the PPP note in Other Income on the accompanying statement of activities and it was included in change in net assets on the statement of cash flows for the period ending December 31, 2020.

In July 2021, the Society received forgiveness of the PPP note issued in January 2021. Management has elected to include the PPP note in Other Income on the accompanying statement of activities and is included in the change in net assets on the statement of cash flows for the period ending December 31, 2021.

#### NOTE 12 - SUBSEQUENT EVENTS

The Society has evaluated subsequent events occurring after December 31, 2021 through November 15, 2022, which is the date on which the financial statements were available for issuance.

In April 2022, the building housing The Big Flea resale location was impacted by a fire. The Society was able to continue limited operations through an agreement with another local resale boutique until they were able to resume normal operations. As of the date of the financial statements, the store has not reopened; however, the Society has been accepting donations and has plans to reopen in late 2022.

No other significant events occurred subsequent to the statement of financial position date but prior to the issuance that would have a material impact on the financial statements or disclosures.
